The Honorable Mike Quigley
Ranking Member
Subcommittee on Transportation,
Housing and Urban Development,
and Related Agencies

Dear Chairman Cole and Ranking Member Quigley:

I am requesting funding for the South Cobb Drive Improvement Project in Fiscal Year 2024. The entity to receive funding for this project is the City of Smyrna, Georgia, located at 2800 King Street, Smyrna, GA 30080. The funding would be used to widen and provide multi-modal improvements along the corridor and separate through traffic from local travel lanes. The project is an appropriate use of taxpayer funds because it will reduce safety hazards, increase access, and lower traffic volumes while revitalizing a historic neighborhood and enhance economic development in the region.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott
Member of Congress
